

ANNUAL MIX | BOLLYWOOD MIX

A vibrant and slightly glamorous annual mix that rewards with a wonderfully display that is perfect for covering large areas for dramatic effect. Fairly weed resistant, this mix is ideal for those areas where you simply need a long lasting burst of colour from an easy-to-grow seed mixture. Prefers a sunny well drained site where it will grow up to 120 cm height depending on soil fertility. Makes bees and humans happy. Mix includes 10 species.
